According to Michigan Law, you as a parent have the responsibility to have children under your guardianship attend school regularly and be prepared for school activities. Your child has been referred to my office due to lack of regular attendance at school. We feel school success and attendance are directly related and the lack of attendance is a symptom of a larger problem.

**WE MAY BE FORCED TO SEEK COURT INTERVENTION UNLESS YOUR CHILD RETURNS TO SCHOOL ON THE NEXT AVAILABLE SCHOOL DAY AND CONTINUES TO ATTEND REGULARLY.**
